In Memoriam

Dr. Helí Hernández-Ayazo, MD, FACP. 1954 - 2024

Yazmín Cecilia Abuabara-Turbay. DOI: <https://doi.org/10.36104/amc.2024.3242>

Original Works

Inborn errors of immunity. Childhood and adult diseases.

A description of ambulatory clinical immunology patients over six years of tracking

Mónica Fernandes-Pineda, Lorena Matta-Cortés, Andrés Zea-Vera DOI: <https://doi.org/10.36104/amc.2024.3092>

The relationship between iron-deficient patients with acute heart failure and the New York Heart Association (NYHA) classes and left ventricular ejection fraction (LVEF)

Carlos Hernán Calderón-Franco, Gary Andrés Baquero-Lozano, Sharon Michelle Machuca-Marulanda, Heidy Caterin Martínez-López DOI: <https://doi.org/10.36104/amc.2024.3091>

The frequency of and risk factors for *Candida* fungemia

Santiago Benjumea-Henao, Daniel Vesga-Martín, Jorge Hernando Donado-Gómez, Carlos Agudelo-Restrepo, Cristian García-Rincón, Natalia Arboleda-Arias, Pablo Andrés Pérez-Giraldo, Lina Ospina-Chaparro, Sebastián Ruiz-Giraldo, Alicia Hidron-Botero. DOI: <https://doi.org/10.36104/amc.2024.2734>

Factors associated with functional decline in hospitalized patients

Diego Andrés Chavarro-Carvajal, María Paula Vargas-Beltrán, Elly Morros-González, Carlos Andrés Orjuela-Rolón, Carlos Alberto Cano-Gutiérrez, Estephania Chacón-Valenzuela DOI: <https://doi.org/10.36104/amc.2024.2943>

Education and Medical Practice

Teaching and use of bedside ultrasound in Colombia.

An internal medicine perspective

José Atilio Núñez-Ramos, Sergio Velasco-Malagón DOI: <https://doi.org/10.36104/amc.2024.3039>

Clinical-Pathological Correlation

A typical presentation of a patient with constitutional syndrome and HIV

Alejandro Almeida-Guerrero, Diego Sánchez-Rodríguez, Alex Enrique Pava-Ripoll, Julián Rondón-Carvajal, María Valentina Perdomo-Córdoba, Angie Tatiana Calderón-Vásquez, Freddy Orlando Guevara-Pulido, Danny Julián Novoa-Ramírez, Martha Patricia Rodríguez-Sánchez. DOI: <https://doi.org/10.36104/amc.2024.3136>

Case Presentation

Pheochromocytoma: An unusual cause of angina

Javier Alfonso Sánchez-Sosa, Brigitte Mercedes Peiger-Flores DOI: <https://doi.org/10.36104/amc.2024.2904>

Pancytopenia secondary to a *Brucella abortus* infection. A rare presentation

Daniela Arias-Mariño, Lorena García-Agudelo, Alejandro Rojas-Urrea, Héctor Julián Cubillos-Vega DOI: <https://doi.org/10.36104/amc.2024.2925>

Content (Continuation)

Case Presentation (Continuation)

Primary hyperaldosteronism with type V Bartter syndrome

Miguel Álvarez-Mejía, César Augusto Restrepo-Valencia,

Fabio Mauricio Sánchez-Cano DOI: <https://doi.org/10.36104/amc.2024.2957>

Pseudo Foster-Kennedy

David Aristizábal-Colorado, Carlos Andrés Marín-Hoyos,

Karen Juliana Moreno-Soto, José Mauricio Cárdenas-Prieto DOI: <https://doi.org/10.36104/amc.2024.2998>

Oral verrucous carcinoma. A diagnostic and therapeutic challenge

Laura Margarita Arango-Bedoya, Nataly García-Correa,

Rafael Montealegre-Alvarado DOI: <https://doi.org/10.36104/amc.2024.2990>

Images in Internal Medicine

An unexpected infection during the pandemic

Guillermo Andrés Herrera-Rueda, María Fernanda Vargas-Díaz DOI: <https://doi.org/10.36104/amc.2024.3030>

Medical Misquotes

Biphosphonates or Bisphosphonates?

Alfredo Pinzón-Junca DOI: <https://doi.org/10.36104/amc.2024.3133>
